Council Gives Two Oil Depot Permits Here

Bayshore, Jefferson Intersections Win Developments

Further development of the Bayshore highway front of Redwood City was revealed Monday when the city council granted the request of Standard Stations, Inc., to erect a station at the intersection of Bayshore highway and Main street.

The station, which will be similar in design to the one located at the Bayshore highway and Third avenue in San Mateo, will be located on the southwest corner of the intersection.

Lawrence Heiner was also granted a permit to construct a service station on his property at the southwest corner of Jefferson avenue and El Camino Real. Dave L. Walter also presented plans for the erection of another station on the recently rezoned property at the corner of Middlefield road and Chestnut street, but consideration of a permit was postponed until the rezoning ordinance becomes effective April 5.

Regulates Card Play

Although no ordinance was adopted because of the expense attached to its passage, the council on the motion of Councilman Paul McCarthy voted a resolution regulating card parties and setting a license fee of $1 for each party or $3 a month for weekly card parties. Fraternal, civic and charitable organizations would be exempted.

This action was taken after the Redwood City Promotion Association and the Golden Branch Rebekah Lodge requested that a fee be charged commercial card parties for profit. A Redwood City Woman's Club delegation asked that benefit parties be considered as different from those conducted for profit.

Councilman Robert Jones favored a $10 a night license for commercial parties. LeRoy J. Thein, operator of a weekly game, protested such a plan as prohibitive and reported that the Moose lodge was against restrictions. The McCarthy resolution was finally adopted after lengthy discussion.

Seeks Franchise Taxes

City Attorney Albert Mansfield reported that he was working with City Manager E. P. Wilsey of San Mateo in investigating the possibility of the city collecting back franchise taxes from public utilities serving the city.

Wilsey, he said, will look into the matter on a forthcoming visit to the southern part of the state where there have been a number of such cases.

No electric or telephone franchises and only two old gas franchises which he did not believe were ever exercised were found in a search of old city records, Mansfield asserted.

City Manager E. A. Rolison announced that William J. Locke of the municipalities league reported that two old county ordinances had given franchise rights in the city.

In response to a question by Councilman Jones concerning the board of fire underwriters' report on fire insurance rates, City Manager Rolison reported that the city has been working toward a rate reduction for some time.

A survey will be made when improvements now being made, such as the new reservoir, tower and water mains, are completed. After the survey it can be determined whether it would be advantageous to add more paid men to the fire department, he said.

City Folder Proposed

The city was asked by a special map and literature committee of the Redwood City Chamber of Commerce composed of E. T. Harrison, E. B. Hinman and J. E. Morrish to contribute not over $200 to the printing of 3,000 copies of a combination map and folder.

Favor in the idea was expressed by the councilmen, who instructed the city manager to discuss with the committee the amount of money that would be required and when it would be needed.

To comply with CWA requirements for evidence of proper authorization City Manager E. A. Rolison and City Engineer Charles Dimmitt were empowered to sign CWA applications for the city.

Mrs. C. C. Chapman was asked to appear before the council at its next meeting to discuss her application for a permit to build a lath house on El Camino Real near Whipple avenue on the "windmill building" property.

In a communication, Dave L. Walter suggested the extension of the apartment house zone from Whipple avenue north to the creek. Councilman Charles G. Lambert expressed favor and suggested that Walter submit it to the city planning commission.

NEW COUNTY JOBS VOTED

Ralston, Alpine Roads Are Granted Sums By CWA Body

Expenditure of $82,667.55 for eight CWA projects in San Mateo county was approved today by Edward Macauley, federal civil works administrator for California.

Chief Engineer Frank H. Hibbs states 497 men will work on these projects, all of which supplement previous grants.

South San Francisco is the greatest gainer in these allotments; $29,391.10 goes to pay 117 men and for supplies for new construction, clearing, excavating and drainage.

In the same city 61 men will continue clearing willow growth and grading a drainage channel through 28 acres in Orange Avenue Park and installing iron culverts across Orange avenue with dry ruble headwalls at a cost of $7,264.50.

Alpine road from the intersection of Skyline boulevard to the intersection of Shrine Park road will be cleared, widened, banks sloped, drained, rock-surfaced and oiled by 48 men at a cost of $5,953.50.

Clearing, grading and realigning of San Mateo creek channel from Crystal Springs dam to the bay will be finished by 159 men and will cost $24,365.02.

Ralston boulevard in Belmont will be widened and paved.

California Dogs Leading Kennels Of Other States

SOUTH SAN FRANCISCO, Mar. 23.—Confident that greyhound racing has come to California to stay and that Baden Kennel Club will be successful in its efforts to win a fair deal for the sport when the state legislature convenes, dozens of San Mateo county dog owners have increased the size of their kennels and have improved the quality of blood strains in their thoroughbred racing dogs.

As a result, California owners won 27 out of the first 40 races at Baden this season, track records reveal. This is a remarkable accomplishment considering the fact that the California owned dogs were matched with the best in the nation, shipped here from Floriad for the opening of the Baden season.

The spring meeting is scheduled to run 30 days.

Macon Returns Early From Bay Area Hop

SUNNYVALE, Mar. 21 (UP)—Forced to turn back by unfavorable weather, the U. S. dirigible Macon was berthed today at her hangar here after a flight of less than eight hours yesterday over the San Francisco bay region.

Original plans called for a trip to the Pacific Northwest. Officers of the giant dirigible now were uncertain when the projected flight northward would be taken.

Commander H. A. Dresel said that the dirigible may go aloft later this week. It is understood that the airship will be taken to Southern California early in April.

City Council Filing Period Ended Tuesday

Local Board Contest Limited to Eight Candidacies

Redwood City's previously drawn election lines were undistrubed Tuesday by any last-minute surprise candidates for the city council election on April 9 when the time for the filing of nomination papers expired at noon.

Charles J. Hildebrant, incumbent, was the last to file his papers, but he had previously announced his intention of running for re-election.

Eight candidates in all are seeking the three posts to be filled.

The candidates are as follows: Mayor William J. Dusel, Henry A. Beeger and Hildebrant, incumbents; L. C. Christensen, E. A. Fletcher and James Eva, comprising the "new deal" ticket, and William P. Jamieson and W. W. Hendricks, as independents.

Late Opposition Develops

SAN CARLOS, Mar. 20.—Last-minute opposition to the incumbent candidates for re-election to the city council on April 9 developed here today shortly before the noon deadline for filing nominations when two candidates filed papers.

They were Charles P. Cooley, local aviator, and Edward R. Burton, former councilman who was defeated for re-election in 1930. The incumbents seeking re-election are John E. Cowgill, Merritt R. Hosmer and Frederick G. Lyon.

The line-up for the offices of city clerk and treasurer is as follows:

City clerk—Mrs. Lillian A. Lynch, Mrs. Marian J. Gatchell, L. R. Witherow and J. M. Edling, incumbent.

City treasurer—Mrs. Frieda Martin and B. A. Lindburg, incumbent.

Belmont Line-Up Unchanged

BELMONT, Mar. 20.—No candidates other than those who had previously announced their intentions of running entered the April 9 election race today as the time for filing nominations closed.

The candidates for office are:

City council—Louis A. Barrett, H. W. Hannibal, Chris L. Jordan, incumbent, and Louis C. Vannier, incumbent.

City clerk—Ray G. Kelly, incumbent, Mrs. Edna J. McGowan and Alexander Morrison.

City treasurer—Mrs. Kate C. Williams, incumbent, and A. T. Hasbrouck.

Atherton Trustees Unopposed

ATHERTON, Mar. 20. — The membership of Atherton's town council will remain unchanged following the April 9 election, it was indicated today when the three incumbent councilmen up for re-election were the only candidates to enter the race before the nomination deadline at noon today.

The three men, who are unopposed, are Mayor Joseph A. Donohoe, E. L. Eyre and C. L. Walter.

Choice of Six

MENLO PARK, Mar. 20.—Six candidates filed papers for the city race by noon today, with the Menlo Park Business Association completing its selection of three anti-administration candidates last night.

The candidates are Henry Carroll, Irving Dunn and J. E. Cooper, three of four proposed before last night's meeting. The fourth prospective candidate was Jean Hoss, former police judge, who will aid the "new deal" program.

Incumbents are W. E. Dale and E. J. Crane, while George Nesbitt will join their ticket.

Four at Burlingame

BURLINGAME, Mar.—Four new candidates for three posts on the Burlingame City Council filed nomination papers before the deadline today.

Joseph F. O'Malley, Mayor C. A. Buck, Walter High, Councilman Ernest Rickard, William H. Rutherdale, Francis V. Lee and Harold Lennon have filed for the two long-term posts, and W. W. Hives is seeking election for the short term.

Purity Stores Select Tribune As 'Ad' Medium

Announcement was made today by Purity Stores, Ltd. that they have discontinued the use of handbills and circulars in this locality and will do all of their advertising in the Redwood City Tribune and the Peninsula Beacon-Advertiser.

The new arrangement begins today in both publications. The local Purity Store is located at 929-933 Main street, near Middlefield road.

AND HE'S A REAL SIOUX CHIEF

Richard Barthelmess, who recently was inducted into the tribe of Sioux Indians as "Chief Thunder Horse," will be seen tonight and Saturday as a Sioux chief in the western epic, "Massacre." He is starred opposite Ann Dvorak and Claire Dodd in a thrilling tale of the modern Indian and the treatment he receives.

"Six of a Kind," with an all-star cast including W. C. Fields, Alison Skipworth, George Burns, Gracie Allen, Charles Ruggles and Mary Boland, is on the same program.

5000 Sign Tribute Thanking Macauley for Relief Efforts

With about 1000 persons in attendance, Capt. Edward Macauley, former director of San Mateo county relief activities, was honored Wednesday in the CWA headquarters in San Mateo at a public reception The building proved too small for the many who came to thank Macauley for his efforts in their behalf.

"A book of gratitude," signed by close to 5000 peninsula residents, was presented to Captain Macauley as a tribute.

The meeting was opened by Robert J. Koshland, who introduced Dr. C. V. Thompson, chairman of the San Mateo County Board of Supervisors; Sam D. Merk, present director of unemployment relief; R. C. Branion, state director of federal relief, and Archbishop Edward J. Hanna, state emergency relief commissioner.

The CWA orchestra, under the leadership of Elmer Vincent, furnished music for the occasion.

Palo Alto Group to Inspect Emerald Peak Bowl Sunday

That interest in the peninsula communities' annual Easter sunrise service in the outdoor bowl near Emerald Peak April 1 is being shown in other cities is indicated in the plans being made today by a Palo Alto group to inspect the bowl Sunday afternoon.

City Manager Ernest Rolison, Charles G. Lambert and the Rev. N. W. Pendleton will conduct the inspection trip, which is being made with the expectation that members of the Morris Club of Palo Alto will join the chorus of 500 male voices singing at the bowl Easter morning.

The group will assemble on Jefferson avenue off El Camino Real at 2:30 p. m. Sunday. Among the Palo Altans planning to make the trip are the Rev. Paul Offenhiser, the Rev. R. H. Silverthorn, Prof. Bert Wells of Stanford University, Dr. Josiah Kirk, Lowry Howard of Menlo Junior College and Milton Roller of the Morris Club.

Public Protest Hearing Is Set On Coast Road

Long-standing delays which have defeated every effort to secure the start of construction on the proposed $5,000,000 scenic and commercial Ocean Shore highway from San Francisco to Santa Cruz along the San Mateo county coastline will be aired at a public meeting in Burlingame soon.

The proposed meeting was called by the board of supervisors at the request of Supervisor Manuel Francis, Half Moon Bay, who declared that after years of efforts "we are getting further away from the project all the time." No date for the hearing was set.

Selah Chamberlain, Woodside capitalist, who has recently acquired part of the necessary right of way to place a further obstacle in the path of the road, will be asked to be present.

Cooperation of the bayside of the county in saving the road from new delays, if possible, is the objective of the Burlingame meeting.

CLOTHESLINE STRIPPED

Stripping of a clothesline last night at his home at 1605 Middlefield road was reported to the police today by A. McKay. Several articles of women's underwar and some dresses were reported taken by the thief.

State Factory Payrolls Show February Gain

LOS ANGELES, Mar. 21 (UP)—Factory payrolls in California gained nearly 30 per cent last month over February of the preceding year, according to the monthly business survey today of the research department of the California State Chamber of Commerce.

The index showed a 6 per cent gain over January.

Manufacturing employment figures were up 26½ per cent for the year and 3 per cent above January levels, the report disclosed.

Department store sales, one of the principle barometers of general business, enjoyed an average increase of 7 per cent over a year ago. Los Angeles stores gained 12 per cent, San Francisco and Oakland 10½ per cent, and Sacramento and San Joaquin valley stores, 21½ per cent.

Farm prices accompanied the upward trend.

DAUGHTER FOR CASANOVAS

Baseball practice proceeded as best it could at Sequoia Union High School this afternoon in the absence of Coach Leonard J. Casanova, who was celebrating the birth of a daughter to Mrs. Casanova at 11:15 this morning at the Palo Alto Hospital. The baby weighed 6½ pounds, and everybody is getting along fine, including the football and baseball coach himself.

Wife Accuses Son's Slayer Of Insanity

Mrs. Florence Swarts Asks That Husband Be Examined

Thomas Swarts, 62-year-old San Mateo man who last Saturday killed his stepson, Julian, 24, today was charged with insanity in a complaint filed at the county clerk's office by his wife, Mrs. Florence Swarts.

The former automobile painter will be kept under observation by physicians for several days at the direction of Superior Judge Maxwell McNutt, it was revealed today by Deputy District Attorney Harold Anderson.

At the end of that time it will be determined whether or not a murder complaint will be filed against him.

Swarts killed his stepson with two volleys from a shotgun early Saturday morning when he went out to the bus-cottage at the rear of his home to upbraid Julian and threaten him with arrest by the police. Swarts is declared to have feared that he was being persecuted by his stepson.

COAST HOGS PROTESTED

Civic Union Requests Abatement Action By Supervisors

The Coastside Civic Union voiced a vigorous protest to the keeping of hogs on ranches along public highways on the San Mateo county coast in a communication on file today with the board of supervisors.

Steps to abate the alleged nuisance should be taken, R. Guy Smith, secretary of the union, informed the board.

Opposition to such a move was made by Supervisor Albert Witt, Colma, in whose district on the coastside the hog ranches are established.

"This is no time to put anyone out of business," the supervisor declared.

Witt said he realized that the hog ranches were there without permission of the board but declared there were there "long before my time on this board."

Supervisor Manuel Francis, Half Moon Bay, spokesman for a large coastside area, declared the board should know under what conditions the hog ranches are being maintained.

Francis moved, Supervisor Rosalie Brown of San Mateo seconding the motion, that the matter be gone into by Dr. Harold E. Morrison, San Mateo county health director, to determine if sanitary conditions prevail on the hog ranches.

The motion was carried with Supervisor Witt voting "no."

O'Connell Urged For Postmaster Of Redwood City

Robert J. O'Connell Jr., member of a well-known Redwood City family, Monday was recommended for the acting postmastership at Redwood City by Congressman John J. McGrath, the Associated Press reported from the national capital.

O'Connell has been known to be the leading choice for the office in the Democratic circles here. He was a captain in the air service during the World War.

The term of Postmaster Carl Mabie, who has held the office in Redwood City for eight years, expired on February 25.

Marriage Annulments Sought in Court Here

Two marriage annulment petitions were on file with the San Mateo county superior court here today.

Joseph Edgar Roth asks annulment of his marriage in Redwood City on March 3, 1933 to Margaret Susan Bartlett Roth. The complaint alleges that the couple separated three days later and that the plaintiff was only 20 at the time of the ceremony. Both were students in a San Jose school. Carl W. Anderson is Roth's attorney.

Annulment of her marriage to Dominic Strano on May 23, 1931, is also asked by Lenore A. Strano, now a resident of Menlo Park. She alleges that the wedding was performed when she was only 16 without the consent of her parents, who live at Gilroy. Her attorney is Harold D. Durst.

Youth Stabbed in Camp Fight Showing Gains

Accused of stabbing a fellow companion in a federal boys' camp near the Crystal Springs dam west of San Mateo, Lee Roy Javine, 17, of Pawhuska, Okla., Monday was to be made a ward of the juvenile court here pending the filing of grave charges of his victim should die.

Phillip Adler, 17, of Hartford, Conn., victim of the stabbing, was reported at the Mills Memorial Hospital, San Mateo, not to be in immediate danger. He has nine stab wounds.

The two 17-year-old youths fought a battle Saturday night as the culmination of a dislike which had developed between them at first sight, authorities said.

Javine, questioned here by Deputy District Attorney Harold Anderson of District Attorney Edmund Scott's office and Probation Officer Francis Robinson, said that Adler had teased him into the fight which ended with nearly fatal result.

The Adler boy came to the camp only Saturday morning, and the Javine boy, who had left Friday, was prevailed upon to return Saturday by Capt. J. W. Glover, in charge of the federal camp.

Johnson Asserts State Government Is 'Leaderless'

Speaking on the present condition of the state government and the changing relation between national and state governments, Charles G. Johnson, state treasurer, declared Tuesday that if this type of influence continues "state government might as well be delegated to counties."

Johnson spoke at a dinner meeting in the Hotel Sequoia, with Charles W. Lambert presiding. The speaker was introduced by Eri Richards.

In speaking of state government, Johnson said "we have a leaderless government with an impaired credit structure." Johnson estimated that the state deficit by 1935 will be $48,000,000.

The speaker declared that state government had been delegated to 152 bureaus.

Credit for keeping the schools of California open was given by Johnson. The speaker saw the hope that the financial condition could be worked out over a period of years. He said "the kind of government depends upon the character of the men the people select" and asserted "it takes brains to run the government."

LEGAL STATUS SOUGHT

The Amphlett Printing Company of San Mateo today filed with the superior court a petition to establish the San Mateo County Recorder, a weekly newspaper published by it, legally as a newspaper of general circulation. The Recorder has been published since January 14, 1933.

WILL WED SOON

Mrs. Joseph W. Donner, above, socially prominent Buffalo, N. Y., widow, soon is to marry Lord Lionel Tennyson, grandson of the late English poet-laureate, Lord Alfred Tennyson, at Santa Barbara. Mrs. Donner is the daughter of Mr. and Mrs. Howard Elting of Chicago.

Floods Will Sell House Furnishings

Time of Son, Widow Mostly Spent In S. F.

Sale of the furniture in "Linden Towers," Menlo Park mansion of the late James L. Flood, will take place in San Francisco shortly, it was announced today. The home will be thrown open for an inspection of the furniture next week.

Razing of the old mansion, built in 1878, is also being considered, James Flood Jr., son of the late mining magnate, revealed. This has been discussed by the family for some time, but no definite conclusion has been reached.

The Floods are retaining a large part of the estate holdings for their home, but are putting up much of the frontage along Bay road for sale, young Flood said.

Many of the furnishings were imported from foreign countries by Flood at a cost of thousands of dollars.

The reason given for the disposal of the furniture at this time is that James Flood Jr., divides his time between San Francisco and Sausalito, instead of Menlo Park, while Mrs. Maud Lee Flood, the widow, also maintains her home in San Francisco.

Young Flood is an ardent boating enthusiast and this takes him to Sausalito for his week-ends. He became an expert oarsman while at Yale. Flood is now manager of the family estate in San Francisco.

Also interested in the Menlo Park mansion besides Mrs. Flood and young Flood, is Mrs. Mary Emma Stebbins, daughter of Flood.

Flood, when he founded the mansion at Menlo Park, spared no expense in providing the finest that period afforded. He died in 1926.

Much of the widow's time has been spent in New York with her daughter and young Flood's time has also been spent away from the home at school.

No date has been announced for the sale.

ANNEX ISSUE TALK NEARS

Coastside Civic Union Ready to Discuss Proposal

The Coastside Civic Union of San Mateo county today informed the San Francisco Chamber of Commerce that it has named a committee and is ready to discuss the proposed consolidation of the coastside of San Mateo with San Francisco leaders.

Coastside leaders were declared divided on the issue, but interest was being shown in what promises San Francisco would make to win favor for the proposal.

Bayside leaders will confer in Burlingame shortly to discuss the plight of the Ocean Shore highway and to see if assistance in putting through the needed artery on the coast cannot be given.

Davies Appointed Goodrich Dealer For This District

Announcement of the appointment of the Davies Auto Company at 1502 El Camino Real as Goodrich dealer for Redwood City was made today. This organization also merchandises Chevrolet cars and Frigidaires and is regarded as one of the leading automobile distributors on the peninsula.

Executives of this concern stated that a full line of Goodrich Silvertown, Cavalier and Commander tires, as well as other products made by this manufacturer will be carried. It was pointed out that one of the main reasons why the local company selected Goodrich was due to the Life-Saver Golden Ply Silvertown tires, a product which is guaranteed against blow-outs.

Merchants Warned Of Short Changers

Local merchants were warned today by the Redwood City police department to be on guard against "short change artists."

Two complaints of short changing have been received by the police in the past two days. In each case two men worked together, one presenting a $10 and the other a $5 bill for small purcases, according to information given the police.

The robin is far from dependable as a harbinger of spring; many of these birds do not go south for the winter, provided they can find plenty of food and a well-protected shelter.

Belmont Man Found Hanging From Rafter

Discovered hanging from a rafter in his Belmont home Sunday, the body of J. W. Voorhees, 50, was rushed to the Mills Memorial Hospital at San Mateo but was pronounced lifeless upon arrival there.

Authorities were certain it was a case of suicide, although no notes were left.

Voorhees, who was an employe of a San Francisco department store, is survived by his widow, Mrs. Hazel Voorhees, and three children.

During the 1935 fiscal year the naval aviation force will be brought up to the full 1000-plane quota fixed by congress.

NATION SEES RECOVERY

Further concrete evidence that the nation is on the upward path commercially and industrially is disclosed in the March summary of financial and trade conditions issued by the National City Bank of New York.

Therein it points out that 810 of the largest corporations of the country reported profits of $441,000,000 for 1933 as compared with $46,000,000 in 1932, an increase of almost tenfold.

Further, an analysis of 37 industrial groups showed 11, which paid dividends in 1932, increased the same in 1933: 12 reported profits instead of deficits; eight reported decreases in the red and only six disclosed unfavorable trends.

Altogether the percentage of national corporations operating at a profit rose from 40 per cent in 1932 to 62 per cent in 1933.

And the same report says that generally speaking business in the new year has continued to show improvement at an accelerated pace.

These as solid, substantial facts upon which to base a real faith for the future. We may not be out of the woods entirely, but at least the thicket is growing appreciably thinner. And that is something for which the nation truly can be thankful.

Woodside Road Plans Call for Shorter Route to City

Blue print of the new alignment on the Whiskey Hill section of the Woodside road between the entrance to the Menlo Country Club and Woodside was under acceptance today of the board of supervisors.

The number of curves on this dangerous stretch of road will be reduced by the new construction from 25 to seven, County Engineer James S. James informed the board. Distance between the two points will be shortened by 500 feet.

Maximum grades will be reduced from 6.29 per cent to 5.15 per cent, and the minimum radius of curvature will be 500 feet.

Original plans, James said, called for the construction of a 20-foot pavement on a 30-foot road. This was the proposal in 1930-31. James now recommends a 40-foot roadway, with 30 feet of paving. The planning commission, he said, has urged the securing of 100 feet of right-of-way.

Cost of paving the stretch will be $60,000.

James recommended that the $1200 recently voted by the board for rights of way be used in paying the services of a right of way agent to determine the value of the required property. The $1200, he said, would not go far toward buying the property, but would be valuable in determining the prices which must be paid so that the sum can be placed in the new budget next July.

The engineer said that this project was of the type which would be looked upon with favor under the new relief program.

Upon motion of Supervisor John Poole, Redwood City, and second of Supervisor Rosalie Brown, San Mateo, the recommendations of Engineer James and the map of the proposed new road were approved.

Javine Boy's Parents Seek His Return Home

Telegraphic advices to District Attorney Edmund Scott early today from the parents of Leroy Javine, 17, held in a federal camp stabbing at San Mateo Saturday night, asked if their boy would be released if transportation home to Pawhuska, Okla., was provided.

Probation Officer Francis Robinson said the boy would be held until Philip Adler, 17, of Hartford, Conn., Javin's victim, had fully recovered.

FORSYTHS HOSTS AT BRIDGE PARTY

MR. AND MRS. PHILIP FORSYTH were hosts at a St. Patrick's bridge supper Saturday night at their home on Hopkins avenue. The birthday of Mr. Clayton Langford was honored.

Those present were Messrs. and Mesdames A. J. Weiss, Edward Allen, Arthur Swift, R. K. Maynard, E. L. Smith and Clayton Langford. Mrs. Maynard and Mr. Allen won high scores at bridge, while consolation went to Mrs. Swift.

Redwood City 30 Years Ago

Last Monday a son was born to Mr. and Mrs. J. A. Genochio.

The total rainfall for the season as recorded at the depot has been 14.62 inches as against 15.66 at this time last year.

F. S. Johnson, one of the owners of the Brittan property, has purchased the Butterfield place on the Selby lane and will make it his summer home. He will move down from San Francisco in a few weeks.

The railroad company has put in an extension to Lover's Lane so that pedestrians do not have to walk on the track in going to the depot by that way. A force of men has also been at work on the culvert on the bridge near Knight's store which was found to be too small to accommodate the mountain water which has been coming in such large quantities lately.

Mrs. J. S. Hughes of Lebanon, Oregon, who is well known here, will leave next week on an extended trip through the east. Her son, Merton, has come down from Oregon and is taking a course in manual training, as he has been appointed to teach that subject in the Merced High School.

KELLEY GOES TO LOMPOC

Hurrell New Manager of Johns-Manville Factory Here

Transfer of W. Bradford Kelley, 141 Whipple avenue, factory manager of the Johns-Manville Products Corporation here, to the Lompoc plant, was announced today, effective April 1.

Elmer S. Hurrell, 155 Fulton street, plant superintendent and an employe of the firm here for the past 17 years, will become plant manager.

The promotions are the result of the elevation of Alexander Cromwell, present factory manager at Lompoc, as general factory manager for California, in charge of all four plants of the concern.

Besides the plants here and at Lompoc, Johns-Manville has factories in Pittsburg and Los Angeles. Lompoc is situated 60 miles northwest of Santa Barbara.

S. A. Williams, vice-president of the concern in charge of all factories and mines, is now on his annual inspection trip to California. He is from New York.

Production at the local plant is well ahead of that of a year ago.

Anti-Handbill Law Is Upheld By High Court

Right of a municipality to prohibit the indiscriminate distribution of handbills and printed advertisements had been upheld today by the United States Circuit Court of Appeals.

The court upheld Federal Judge A. F. St. Sure in his refusal to enjoin the city of South San Francisco from enforcing an ordinance that barred door-to-door, unsolicited distribution of such publications as the San Francisco shopping News.

Such unsolicited distribution of printed matter, was held by the city council to constitute a public nuisance.

Upholding this view, the Appellate Court said:

"As a matter of law, the city council has the right to declare such a method unlawful, the fact that the shopping news because of its particular system of publishing would happen to be driven out of business, would not render the ordinance in question unconstitutional."

The court pointed out that there is a sharp distinction between "papers carrying general news, which are likely to be properly picked up by subscribers," and publications left on porches or behind doorknobs.

Parents of Local Woman in Accident

Word that her parents, Mr. and Mrs. Frank E. Wood, and her brother, Reginald, of Berkeley, had shown good improvement from their injuries sustained in a Livermore accident was received today by Mrs. B. E. Roettger, 22 Madison avenue.

Mrs. Wood suffered a broken collar bone and fractures of several ribs; Mr. Wood incurred a fracture of a bone of the chest, and the brother suffered bruises and shock. They were on their way to Tuolumne when the accident occurred.

Patricia Roberts Hostess at Party

Miss Patricia Roberts was hostess at a St. Patrick's party at the home of her parents, Mr. and Mrs. Joseph Roberts, on Harrison street Saturday night. Following dancing and games a midnight supper was served.

NOTICE OF SHERIFF'S SALE
No. 61373.

IN THE MUNICIPAL COURT OF THE CITY AND COUNTY OF SAN FRANCISCO, STATE OF CALIFORNIA.

MILTON BLUMER, Plaintiff, vs. J. J. GOLDMAN and LULU F. MARSTON, Defendants.

Under and by virtue of an execution issued out of the Municipal Court of the City and County of San Francisco, State of California, on the 8th day of March, 1934, in the above entitled action wherein Milton Blumer, the above named plaintiff on the 31st day of January, 1934, recovered a judgment against J. J. Goldman and Lulu F. Marston, the above named defendants for the sum of $113.90 damages, $4.00 interest, and $12.10 costs, with interest at the rate of seven (7) per cent per annum until paid, as appears to us;

And whereas the judgment roll in the action in which said judgment was entered is filed in the office of the Clerk of said Court in the City and County of San Francisco, State of California, and the said judgment was entered in the minute Book of said Court in Volume Number 20 thereof, at page 22 on the 31st day of January, 1934.

And the sum of $113.90 damages, $4.00 interest, and $12.10 costs with interest as provided by law, is now, at the date of this writ actually due on said Judgment.

I am commanded to sell all the right, title and interest of Lulu F. Marston in and to that certain property situate and being in the County of San Mateo, State of California, standing of record in the office of the County Recorder of San Mateo County in the names of Lulu F. Marston and Loraine Fuller, and particularly described as follows, to-wit:

Lot number Twenty-two (22) Block Number Five Hundred and One (501) as the same are laid down and delineated on that certain map entitled "Map of Highlands of Emerald Lake, Subdivision Number Five (5), San Mateo County, Calif.," filed in the office of the County Recorder of San Mateo County, January 19, 1927, and recorded in Vol. 15 of Maps at pages 15, 16, 17 and 18.

Public Notice is hereby given that on Monday the 16th day of April, 1934, at the hour of 11 o'clock A. M. of said day at the front entrance of the County Court House in the City of Redwood City, County of San Mateo, State of California, I will sell all the right, title and interest of Lulu F. Marston, one of the above named defendants in and to the above described real property at public auction for cash in lawful money of the United States of America to the highest and best bidder to satisfy said judgment and all costs.

It's the EXTRA service that makes *Automatic Gas Water Heating* worth having

Gas costs so little when modern appliances are used. For example, an automatic gas water heater will provide hot water for shaving for fifteen mornings at a cost of one cent.

SO OFTEN in so many homes the service hot water can give is limited to meal-time kitchen use, once a week laundry use and the bath times for the family.

But modern homes and modern living demand full, all-of-the-day service of hot water automatically on tap. Hot water must render Extra Services. This is the day of gayer, lighter colored children's clothing that require almost daily washings. Silk stockings and lingerie that keep fresh and wear longer for the daily rinse in warm sudsy water. Linoleum floors, painted woodwork, tile floors—all need the preserving care of warm water cleaning.

Home economists tell us that the average home of today needs the on-tap service of hot water 150 times a day. There is but one way to have such hot water service. It is with an automatic gas water heater that keeps water stored hot within a heavily insulated tank.

Have you thoroughly gone into the details of how little a modern automatic water heater costs? Learn the facts. See your gas appliance dealer or consult a representative of this company.

Expert Reports Valley's Sinking Need Not Alarm

There is "nothing alarming" about the settlement of a large area of the lower peninsula from south of Redwood City to San Jose as reported by Prof. Cyrus Tolman of Stanford University, scientists agreed today. Professor Tolman said the City of San Jose had settled four feet in 14 years.

The geologist said he believed the sinking due to "overpumping" of water from wells in the area, which lowered the water table and brought a subsequent setting of the earth.

Professor Tolman told the Associated Press that the possibility that some condition along the San Andreas earthquake fault, which passes through the valley, was responsible for the sinking had been note din records of the investigations. "I think such a possibility is very unlikely," Dr. Tolman said, "and wouldn't for the world say that the movement indicates an earthquake may be expected."

"Nothing alarming," was the comment by Dr. Victor Peterson, head of San Jose State College science department.

"It's been going on for years," reassured Father Eugene Bacigalupi, University of Santa Clara geologist.

District Asked to Pay Costs or Show Cause

Petition for an alternative writ of mandate forcing the Joint Highway District No. 9 either to pay $5,803.07 in attorneys' fees and costs or to show cause why they should not be paid was filed today with the superior court by Ocean Shore Railway Company and the McNee Company.

The petition states that the highway district has refused to pay the fee sand costs as determined by a recent local court order, the latest outgrowth of the lengthy battle between the two parties over the prospective purchase of a right of way for the Ocean Shore highway on the coastside of San Mateo county.

It was filed by Keyes and Erskine, attorneys for the railroad company.

Sequoia Asks Quake Resistance Survey

Application for a survey of the Sequoia Union High School buildings as to their resistance to earthquakes was made today by the board of trustees of the high school district to the department of architecture of the state board of public works.

According to Principal A. C. Argo, the inspection is requested as a precautionary measure. He reports that all two-story structures of the high school unit are of reinforced concrete and of a design to withstand earthquake shocks.

Two Supervisors Protest Marking Of County Autos

Marking of San Mateo county cars with the county's name on both front doors was under approval of the board of supervisors today over the opposition of two of its members, Dr. C. V. Thompson of Burlingame, chairman, and Supervisor Albert Witt, Colma.

All county cars except two in the sheriff's department will be labeled. These two will remain unmarked at Sheriff James J. McGrath's request because of his fear that to identify the cars would be to hinder investigators of his department.

Supervisor Witt also sought to exclude the cars of the social service department because he thought that the misfortune of a family securing charity should not be "tipped off" to the neighbors.

Mayor C. A. Buck of Burlingame, vice president of the Bayshore citizens safety committee, appeared before the board to protest further delay in marking the cars. The president of the committee, R. P. Schwerin, had failed to secure the board's approval.

Buck agreed that the proposed naming of the various departments could be left off the insignia when it had met with the opposition of the two supervisors.

Supervisor Rosalie Brown, San Mateo, then introduced the resolution. Supervisor John Poole, Redwood City, seconded the motion. Supervisor Manuel Francis, Half Moon Bay, joined with them in voting the resolution, on which Thompson and Witt voted no.

The cost of painting the insignias on all county cars and trucks will be $185.

3 Divorce Decrees Granted by Court

Two interlocutory decrees and one final decree of divorce had been granted today by the San Mateo county superior court.

Mrs. Nellie Wroe of Burlingame, was given an interlocutory divorce from Clifton Wroe on the order of Superior Judge Maxwell McNutt. Judge McNutt also handed down a decree of divorce for Flora Josephine Carboni also of Burlingame, from Guisseppe Carboni, granting the plaintiff custody of their two children and $50 a month for their support.

Judge Franklin Swart gave a final decree of divorce to May Blanche Russell from Leo Hunter Russell, together with custody of their daughter and $15 a month for support.

COAST GRADING WORK TO START

Heavy grading operations on the Pescadero road within Memorial Park, which were halted by rains last winter, had been ordered begun again by the board of supervisors. County Engineer James S. James said the cost of the work last winter was $1,138.58, and he estimated that another $2,300 would take care of the grading. The H. E. Casey Company is to do the work.

James estimated that $5,000 will be needed for culverts, a coating of oil and other incidentals, but said final paving will have to be deferred.

CITY FATHERS SOLVE PROBLEM OF OLD PAPERS

What to do with musty old city papers and documents getting mouldy from moisture and mouse eaten in a substitute vault in the city hall?

This question was put before the city council last night by City Clerk B. E. Myers, who reported that these papers were mostly old claims, coupons and election data.

It appeared for some minutes to be a close legal question, whether the city could or could not destroy papers already illegible with age. Necessary records, however, are kept in the regular vault, it was brought out.

Councilman Paul McCarthy finally came to the rescue of neatness and cleanliness by moving that City Attorney Albert Mansfield, City Engineer Charles Dimmitt and Mr. Myers be empowered as a committee to destroy any papers on which they were unanimously agreed.

The other councilmen sighed with relief at his proposal and passed the motion with dispatch.

Holiday Observance Asked by Veterans

Observance of Lincoln's and Washington's birthdays, Memorial Day and Armistice Day by schools, chambers of commerce, civic clubs and service clubs is requested in a resolution adopted by the San Mateo County United War Veterans' Council.

Contending that these non-legal holidays are set aside for special purposes and not merely for picnics, the veterans announce they will make efforts to hold exercises, parades and public meetings to impress the public on these occasions. The resolution was passed following an address by County Clerk E. B. Hinman of Redwood City.

The veterans have pledged themselves to attend the public reception tonight in San Mateo for Capt. Edward Macauley, former unemployment relief director and present state head of the CWA.

Public Administrator Asks Estate Letters

Petition for letters of administration for the estate of Frederick Fanton, who died on February 10, was filed today in the San Mateo county superior court by J. C. McGovern, public administrator of the county.

Fanton left no known heirs, it is asserted. Edmund Scott is attorney for the administrator.

Slain Youth's Mother Quizzed by Prosecutor

Mrs. Florence Swarts, mother of Julian P. Swarts, 24-year-old San Mateo youth who was shot and killed by his step-father, Thomas J. Swarts, 62, at San Mateo Saturday morning, was to be questioned about the tragedy this afternoon by Deputy District Attorney Harold Anderson.

No charges had been filed today against the stepfather, and Anderson indicated that further action would depend upon more complete investigation of the case and of Swarts' sanity. Swarts was still being held at the county jail today under the booking of "investigation."

Young Swarts was shot by the older man when the latter went out to his cabin at the rear of their home to upbraid him for alleged drunkenness the night before.

Funeral services will be held at 8:30 a. m. tomorrow morning from the Sneider chapel in San Mateo, thence to St. Mathew's Catholic Church, where mass will be celebrated for the repose of his soul, commencing at 9 a. m. Interment will be at St. John's Cemetery.

Three sisters, Florence, Ruth and Dorris-Mae Swarts, and a brother, Thomas, survive the youth.

LONELY DOGS BARK APPEALS

WOULD YOU LIKE ONE FOR A PET?

* * * * * * * * * * * *

CHOICE AT CITY POUND WIDE

By ELBERT G. THOMAS

Make this a "doggy" Easter!

Here's a plea straight from the hearts of one of Redwood City's "best families," those patient but sometimes lonesome inmates of the Redwood City pound.

Just off Middlefield road on Charter street at the southern city limits, the pound isn't located where the dog family can readily make its silent request for adoption.

But a visit to the homey little animal hostelry maintained by the city and the Redwood City Humane Society is sufficient to convince the dog-lover that there are many attractive dogs, made homeless by varying circumstances, ready to help brighten some real homes of their own again.

J. B. Shook, poundmaster, has 23 guests in his establishment at present, and some of them have been there long enough to be given names by him. Some stay four days and others remain as long as four months before their "big opportunity" comes along and they are taken away barking joyously at the heels of their appreciative new owners.

Choice Is Wide

Do you prefer police dogs, or pomeranians?

An assortment between these extremes is listed in the pound's "blue blood" directory at present. There are two police dogs, a grey female and a brown male. The pomeranian is brown and white, and she spends her time playing with a pekinese roommate.

If you like dogs white, there's a female pitt bull; in black, you may have a choice between what Poundmaster Shook calls a miniature pintscher and a part cocker spaniel.

In between are dogs of varying colors and sizes. You might like a smart little female spitz in black and white with pert ears, or a male terrier to match.

Brown and white is the popular color combination sported by three female fox terriers, and also by a male of similar ancestry.

Varying the scheme slightly is a brindle and white Boston bull, and another terrier is shown in the summery shade of yellow and white.

A little fellow who may take your eye is a part wire-hair, male.

Just 'Boarding Out'

All of these dogs have had homes and would like to be taken in again. Some, unfortunately, are lost from anxious owners and others are "boarding out" because there isn't enough to go around in the larder anymore.

It takes but $2 to buy a dog's way out of the pound. If he's to make his future home within the city limits, a license fee of $2 for males and $4 for females is charged. The pound is open daily except Sunday from 11 a. m. to 1 p. m.

COUNTY ROADS COST $188,614

Total expenditures for the first eight months of the fiscal year on San Mateo county roads were $188,614.33, leaving a balance of $56,995.67 for the remaining four months, County Engineer James S. James had informed the supervisors today.

Road department costs on emergency relief projects during that period totaled $55,910.59, James said, or 30 per cent of the total expenditures.

Hearing on Sanity Planned for Slayer

Holding of an insanity hearing for Thomas Swarts, 62, former San Mateo automobile painter who shot and killed his stepson, Julian, 24, last Saturday morning, was contemplated today by the district attorney's office.

The hearing would be held before Superior Judge Maxwell McNutt before any charge is filed against the aged man, it was indicated to Deputy District Attorney Harold Anderson.

Swarts was questioned today again in connection with his sanity, and his wife, Mrs. Florence Swarts, was quizzed yesterday afternoon. The admitted slayer is said to have been in a comparative daze since the tragedy.

Current CWA Quota Is 878, Says Merk

San Mateo county's current week quota on CWA projects is 878, Sam D. Merk, director of unemployment relief, reported today. The board of supervisors gave approval to payments of $565.47 on CWA, and $976 on relief bond payrolls.

Merk said the week should see 230 men working on bond relief moneys and that this program would be increased as the CWA payroll is decreased.

Service has been inaugurated between Seville and the Canary Islands by the Spanish Airmail Line. Only mail and express matter are being carried at present.

The president does not have the constitutional power to pardon state prisoners.

Only 23,068 immigrants entered the United States in the fiscal year ending June 30, 1933.
